14TH-15TH NOVEMBER 2008

L2 Werbeagentur - 9020

Austrian Academy of COSMETIC SURGERY

Austrian Academy of COSMETIC SURGERY

COSMETIC BREAST SURGERY - LIVE SURGERY / HANDS-ON WORKSHOP

The aim of this workshop is not only to provide an understanding of the various techniques but also to enable Hands-on participation. We are planning at least eight live surgeries and for breast augmentations in local anaesthesia (at least 4 operations) we offer Hands-on participation. Most augmentations will be carried out using silicone gel implants, giving participants a good opportunity to become familiar with this product. Certificates of attendance will be provided by the Austrian Society of Cosmetic Surgery. CME points will be accredited.

MD Peter Lisborg
P. President / Chirurg

MD Matthias Sandhofer
President / Dermatologe

MD Robert Schachinger
V. President / Plastischer Chirurg
